

TOWN OF EDINBURGH

High School Drive Reconstruction

Public Meeting – June 28th 2022

PROJECT OVERVIEW

This project will involve the total reconstruction of High School Drive from US31 to Eisenhower Drive. The project will include:

- New asphalt pavement
- New concrete roll curb and sidewalks
- New mailboxes and street lighting

Robertson Paving was awarded the project and will be the Prime Contractor.

PROJECT SCHEDULE

Due to the size and nature of the project, it will be constructed in two phases.

Phase I – US31 to Fairlane Drive

Phase II – Fairlane Drive to Eisenhower Dr.

Each phase should take approximately 60 days and the entire project should be completed by the end of October 2022.

Phase I will be closed on July 11th. All dates are weather dependent.

PROJECT APPROACH

High School Drive will be closed to thru traffic. A Detour will be posted to direct thru traffic around the project.

Local traffic to residences in the construction area will be maintained.

Emergency Response – Local authorities are aware of the closure and will develop alternate routes if necessary. Access will be provided to first responders at all times.

Trash Collection – The Town and Robertson Paving are coordinating collection with Rumpke. Totes will temporarily be labeled with house numbers in the event the contractor has to move them for collection.

Mail Delivery – USPS has requested that all mail be held at the local post office and picked up by property owners' or tenants.

Parcel Delivery (Amazon/UPS/etc.) – Typically drivers will access site or deliver on foot.

School Pick up/Drop off – School system transportation offices will coordinate bus stop locations. Likely at common intersections on Sunset Drive and/or Memorial Drive
